

AI EarthHack

CERTIFICATE OF ACHIEVEMENT

THIS CERTIFICATE IS AWARDED TO

Yongan Yu

In recognition of their outstanding achievements at AI EarthHack, a hackathon hosted by the Digital Data Design Institute at Harvard, the Laboratory for Innovation Science at Harvard, and DotsLive.

By demonstrating not only mastery of the subject matter but also compelling storytelling, their pitch and demo captivated the audience, spotlighting the impactful potential of their AI-driven solution.

**Best
Pitch &
Demo**
